**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am President of Futronix Inc. in California and when I wanted broadband service for the company I only had choice of Sonic or AT&T. AT&T was very unresponsive and difficult to deal with. Sonic was on time and efficient and has been very supportive when troubleshooting. Broadband is essential for any business these days. I urge you to continue to allow multiple competitive telephone and broadband services. AT&T has a record of underhand practices when it was a monopoly.
